The entire delay in filing the required reply from the due date for the required reply until the filing of this grantable petition under 37 CFR 1.137(b) was unintentional.

In connection with the above-identified application, applicants authorize charging the \$1280.00 fee for the petition to revive an unintentionally abandoned application to Deposit Account No.50-0281.

No terminal disclaimer (or fee) is required since this application was filed after June 8, 1995.

The above-identified application was filed without a declaration or oath signed by the inventors. There are ten inventors on this application, all of which were required to execute an oath or declaration. With the passage of time, several of the inventors left employment at the Naval Research Laboratory, changed mailing addresses and married. This necessitated multiple attempts to obtain a signed declaration from each of the ten inventors. Upon failure to reply

within the specified time period in the Notice To File Missing Parts, this application became unintentionally abandoned.

Submitted herewith is a declaration signed by the ten inventors as was required by the Notice to File Missing Parts. Applicants respectfully request that this application be revived.

Kindly charge any additional fee, or credit any over-payment, to Deposit Account No.50-0281.

Respectfully submitted,
